

EPSON

IMPACT 500 Series

Designed for modern communication, IMPACT 500 delivers clarity and comfort all day. Certified for Microsoft Teams Open Office with a future software release that will add support for Teams over native Bluetooth® - For a dongle free calling experience.

 Certified for
Microsoft Teams

 ZOOM

 Google Meet

Key Features

Protects from listening fatigue

EPOS BrainAdapt™ technology protects your brain from fatigue caused by poor audio and noise, boosting your focus and productivity.

Stay in control of your environment with hybrid ANC

Effectively reduce background noise during calls and when you need to focus, ensuring you remain productive in any work environment.

Clear, natural voice with EPOS industry-leading voice pick-up

EPOS AI™ and expertly tuned microphones remove unwanted noise, making remote conversations feel as real as being there in person.

Professional performance all day long

Communicate with confidence all day with over 35 hours of talk time, talk-through mode and intuitive boom arm call control.

Seamless Microsoft Teams certified calls

Microsoft Teams certified with a future software release that will add support for Teams over native Bluetooth® - For dongle free calls.

Additional benefits & features

**Microsoft Teams Open Office certified**

Meets Microsoft's Open Office requirements for noise suppression and voice pick-up.

**Single-sided busy light**

Signals availability at a glance, reducing interruptions to help you stay focused.

**Intuitive boom arm call control**

Lets you manage calls with a simple gesture—lift to mute and move down to answer.

**Hook button for music control**

Play and pause directly from your headset—no need to reach for your device.

**Comfort for every call**

Breathable leatherette earpads and a super-soft padded headband.

**Microsoft Swift Pair**

Instantly pair your IMPACT 500 with Windows devices for a faster, smoother setup (When using native Bluetooth®).

**Talk Through mode**

Makes quick conversations with colleagues effortless without removing your headset.

**Stay in control with EPOS Manager**

Free software for asset management, remote updates and adhering to company policy.

**Sustainable FSC packaging**

Plastic free packaging and materials from responsibly managed forests.

Product features

1/3

Connectivity

Laptop, phone, tablet	Up to 30m/98 ft wireless range to a computer using the included BTD 900c dongle.
Native Bluetooth®	Connect to a computer without the use of a dongle, reducing port consumption. A future software release will add support for Teams over native Bluetooth®.
Dongle	Comes with pre-paired BTD 900c dongle including BTD USB-C to USB-A adapter
Multi-point	Connect to two Bluetooth devices at the same time, including a mobile device and computer.
Multiple device pairing	Pair with up to 8 devices.

Audio

Active noise cancellation (ANC)	Hybrid ANC tuned to suppress surrounding noise to support focus in open offices and working environments with distractions.
Talk Through	Makes brief conversations with people next to the user possible without needing to remove the headset.
EPOS ActiveGard™	Protects users against acoustic injury caused by sudden bursts on the line.
EPOS EU Noise at Work Limiter®	Enhanced audio protection that reduces the risk and severity of acoustic shock, average 85 dB over a work day
Australia G616 Acoustic Safety	Enhanced audio protection that reduces the risk and severity of acoustic shock, not exceeding 102 dB SPL
EPOS BrainAdapt™	Proven to reduce users listening effort, improve speech recognition and improve memory recall by reducing the cognitive load on the brain caused by noise or poor audio.*

Product features

2/3

Ease of use

Mute LED on boom arm	If the user speaks while muted, the LED on the boom arm will flash to indicate that the microphone is muted.
Call control	Call control on the headset lets users manage calls directly, improving efficiency and reducing interruptions.
Busy light	A single-sided busy light indicates to colleagues when the user is in a call.
Boom arm features	Flexible boom arm allows for precise placement and 270 degrees rotation enables left or right wearing. Easily answer and mute calls by moving the boom arm to the down or upright position.
Microsoft Swift Pair	Enables faster, seamless Bluetooth pairing, reducing setup time and improving user productivity with professional headsets.

Certifications

Microsoft Teams Open Office, Microsoft Teams over native Bluetooth®, Zoom, Google Meet	Ensure optimal audio quality and seamless integration with your preferred unified communications platform.
